Arms and Influence by Thomas C. Schelling

Arms and Influence. Traditionally, Americans have viewed war as an alternative to diplomacy, and military strategy as the science of victory. Today, however, in our world of nuclear weapons, military power is not so much exercised as threatened. It is, Mr. Schelling says, bargaining power, and the exploitation of this power, for good or evil, to preserve peace or to threaten war, is diplomacy—the diplomacy of violence.

Arms & Influence is a little repetitive, but still a fascinating look at the way countries can use war, violence, threats and generally nasty behavior to get what they want. Schelling analyzes war in terms of "bargaining" - i.e. we'll hit you this hard now to show we mean it, and ten times harder if you don't give us what you want next week.
