This volume investigates and illumines the German sixteenth century—the age of the Renaissance, Reformation, and Faust. Bringing old and new research together, this book structures its study of that era around the figure of Faust.

The Faustian Century: German Literature and Culture in the ...

Nevertheless, German literature has experienced three periods of established greatness: the high Middle Ages (c. 1160-c. 1230), the turn of the 18th to the 19th century (the 'age of Goethe'), and the turn of the 19th to the 20th. This article provides a concise historical survey of German literature.

German literature | Britannica

German Literature. German literature is rich in beautifully crafted stories, especially from the eras of Sturm und Drang, Romanticism, and Realism. Certain German books are an excellent introduction not only to German literature but to German culture and the history of Germany too. Many of the most famous works of literature to emerge from Germany, such as All Quiet on the Western Front, The Never-ending Story and The Sorrows of Young Werther, have all been translated into English.

The Enlightenment in Germany | Encyclopedia.com

For nearly 350 years, the German novel has used everything from history to philosophy to war to explore the nature of the human spirit. Its novels are not characterized by their length or their subject matter, but rather by their devotion to the cerebral. Whether it be the social realism of the 1800s or the metafictional explorations of post-war life, the literary movements that dominated Europe throughout the ages served only as templates upon which these authors tackled some of life's ...
