How Judges Think — Richard A. Posner | Harvard University ...

How Judges Think is a wide-ranging survey -- in some respects too wide, as parts of it have the feel of having been stuck in simply (almost) because Posner had the material available. But he does look at the question at the centre of the book from many, many angles, and though occasionally it can seem he's looking too hard at rather peripheral concerns, he does also deal with what appear to be all the main ones, offering a better idea of 'how judges think' (and offering explanations of why ...
