The Silmarillion (Quenya: [silma rilli n]) is a collection of mythopoeic stories by the English writer J. R. R. Tolkien, edited and published posthumously by his son Christopher Tolkien in 1977 with assistance from Guy Gavriel Kay. The Silmarillion, along with many of J. R. R. Tolkien's other works, forms an extensive though incomplete narrative of E ä , a fictional universe that includes the ...

It has been a very exciting few months of work for the Silmarillion Total War team, in preparation for the Fall of Feanor patch! In one of our most comprehensive patches to date, FoF comprises new maps, new Legendary Company units, a new faction, and some small balance tweaks and aesthetic changes. Firstly, I'd like to thank the large number of people who have had their part in putting this ...

The Silmarillion by Tolkien - AbeBooks

The Silmarillion is not so much a book - more an experience. Neither is it for the faint-hearted, and certainly not for readers of Alison Weir, Hilary Mantel, and Philippa Gregory et al. For those who can stay the course, the rewards are infinite - like the universe it describes. You read this book once - and it does take perseverance at first - and when finished, you have to read it again ...
