mySAP ERP Solution Map. By Andreas Vogel, Ian Kimbell. Part of mySAP ERP For Dummies Cheat Sheet. After you determine your business objectives, SAP provides industry-solution maps to help you — from the business process to an individual service, and even the technical specification of that service (the so-called Web Service Description Language). These maps outline the processes in a solution (such as ERP or CRM) or the processes in an industry (such as chemicals or the public sector).
