You can get a peak flow meter from your GP, asthma nurse or pharmacy. Your GP or asthma nurse might have recommended using a peak flow meter and recording your scores in a peak flow diary. Here we explain how it can be helpful and how to do it.

Online Library Peak Flow Diary Template

Peak flow is just one of a number of ways you can keep an eye on how well you are.

Use your peak flow diary - Asthma UK

A peak flow chart monitors an asthmatic condition by tracking

Online Library Peak Flow Diary Template

the maximum flow (i.e., the peak rate) at which the patient can blow into a peak flow meter. The meter will record how hard and how fast the patient can exhale in a single go after deep inhalation. This peak flow number is recorded on a tracking chart.
