Must-Read Regency Romance

Novels

There's one genre of historical romance that has it all: Regency Romance.

Taking place during approximately 1795-1837

(also known as the Regency era of England, where King George was ousted from the throne and his son took his place...who would later be followed by Queen Victoria!) there are hundreds of novels following the lives and loves of Lords, Earls, Dukes, Marquesses, Rogues

One of my favorite romance tropes (especially if comedy) is the marriage/engagement of convenience. I haven't analyzed why I love it very deeply, but my instinct tells me its a delight in the absurd about two people forced together who end up falling in love (because, of course, its romance and there has to be a HEA).
